Impact factor: 5.4

Disclaimer: The Editor of *BMJ Quality & Safety* has been granted editorial freedom and *BMJ Quality & Safety* is published in accordance with editorial guidelines issued by the World Association of Medical Editors and the Committee on Publication Ethics. *BMJ Quality & Safety* is primarily intended for healthcare professionals and its content is for information only. The Journal is published without any guarantee as to its accuracy or completeness and any representations or warranties are expressly excluded to the fullest extent permitted by law. Readers are advised to independently verify any information on which they choose to rely. Acceptance of advertising by *BMJ Quality & Safety* does not imply endorsement. Neither *The Health Foundation* nor BMJ Publishing Group Limited shall have any liability for any loss, injury or damage howsoever arising from *BMJ Quality & Safety* (except for liability which cannot be legally excluded).

BMJ Quality & Safety (formerly *Quality and Safety in Health Care*) was founded in 1992 to meet the growing need for a journal to reflect and report initiatives to improve quality of health care. It is an interdisciplinary journal with an international readership and contributions from all healthcare professions
